50 Things to do before you are 5 Challenges

Over the next few weeks, we will be uploading challenges to Tapestry. There will be ideas of activities that you can do with your child at home, to support with developing many important skills.

Reading and Story Time

We will be starting to send home a storybook this week with your child, to share and enjoy together.

This is a great opportunity to talk to your child about what they can see in the illustrations or even create their own story too! You could talk about the characters, setting and what happened at the beginning, middle and end of the story.

A warm welcome to Low Road and Windmill Music Federation

We are so proud of how well all of our Reception children have settled into school. They children have had so much fun exploring all of their new learning environments, seeing their friends from Nursery and meeting lots of new friends in their classes. A huge thank you for all of your patience and support with the settling in process, especially at drop off and pick up times. It is so lovely to see so many familiar and new faces and we look forward to the year

Tapestry – EYFS Screen Break!

All parents Tapestry accounts will be active by the end of next week.

However, we have decided that we are going to have a period of time that is going to be devoted to face-to-face and real life experiences, instead of virtual.

We will be spending lots of time talking to the children and working on their social skills and building trusting relationships within the classroom.

Therefore, you will see minimal input from nursery and school over the next few weeks on Tapestry other than home challenges..

ahead and your child's first year in school.
